

Take Control! with The Total Program

Track scheduled training and important tasks with personal To Do lists

Role-based user management provides optimum security

The screenshot displays the 'The Total Program' web interface. At the top, there is a navigation bar with the APEX logo, the title 'The Total Program', and a user greeting 'Welcome, Dan Schwarz'. Below the navigation bar are links for 'Admin Menu', 'To Do', 'Help', 'Homepage', and 'Logout'. The main content area is titled 'Admin Menu' and features a 'Quick Tasks' section with a dropdown menu set to 'Assign Training' and a 'Go' button. Below this are five main management modules, each with a list of sub-items:

- Organization Manager**: (332) Users | (6) Departments | (45) Job Descriptions | (15) Buildings | (34) Vendors | (987) Files |
- Website Manager**: Homepage | (12) Menus | (9) Custom Pages | (7) News | Contact Info | (19) Web Links | (6) Department Websites |
- Training Manager**: (13) Written Plans | (12) Courses | (99) Students Registered | (11) Curriculum Charts | (45) JSA's | Reports |
- Project Manager**: (13) Projects | (2) Project Managers | (17) Invoices | (15) Buildings | Project Reports |
- HandiForms Manager**: (27) Open Flags | (3) Overdue Flags | Forms | Reports |
